A potential condition was mentioned that the board should have the number of evergreen trees on lot 6, there size, type and location noted on the final map and that the existing stone driveway will be removed and replaced with topsoil and seeded prior to proposed driveway is placed.

J. Jackson motioned that SEQR was determined an unlisted action with a negative declaration.

P. Didas seconded

Unanimously carried

J. Jackson motioned to approve the new proposed driveway and barn with the following conditions;

A buffer shall be placed consisting of evergreen trees on lot 6, 4-6ft apart from each other that the existing stone driveway will be removed and replaced with topsoil and seeded prior to proposed driveway is placed.

PUBLIC HEARING:

Applicant: Anthony Ottaviani

Property Owner: Joesph Avery

Address: Clarkson Meadows Section 9

Acres:7.66

Applicant requesting approval of an 18-lot subdivision of single-family homes.

R. Raymondi said that they are proposing to place 30 modular homes with basements. They believed they were supposed to be grandfathered in and add bioretention areas to help with the stormwater concerns. SEQR would still be correct if they were grandfathered in.

K. Moore said that they cannot be grandfather in, that would be up to the DEC to determine.

R. Raymondi said that it wouldn't allow them to build at least ten homes because of the wetlands 100ft buffer that would be implemented. He mentioned that they will do the delineation before submitting and contact the DEC regarding being grandfathered in.
