Kevin Moore- Clarification on 3752 Lake Rd Deck

K. Moore issued the permit for the deck with the understanding that they did not have the railing, but it does not come close to what was approved. It would have to be a minimum of 8x8 with the inlay and trim detail as submitted. As far as the rear porch it would have to represent the drawing.

Discussion:

Russell Wood- Grants for houses in the historical district

R. Wood said they would love to get the carriage house up and running again but were looking at getting a grant to restore it.

N. D'Amuro read off the criteria for the Historical grants given and let him know that the board would not be able to write the grant for R. Wood.
